

Script from Return of Eastern Wonderland project, English to Indonesian

English	Indonesian
<p>Good Ending</p> <p>Hakurei Shrine, noontime after Mima's defeat.</p> <p>Mima returned to haunting the shrine, but something's not right.</p> <p>Reimu: Say, Mima, where did you wind up putting my clothes anyway?</p> <p>Mima: I returned them to this spot this morning. I'm not sure where they went.</p> <p>Reimu: That's very suspicious of you.</p> <p>Mima: Come now, Reimu, did I ever lie to you? I may be a demon, but I have morals too.</p> <p>Reimu: Hmm...I think I know who could have done it. The only person that was at the shrine while I was gone that I saw.</p> <p>Mima: Well, I'm not going to help you.</p> <p>Reimu: Gee, thanks. I'll get the tea set.</p> <p>*picture change*</p> <p>Reimu: You know, all those powers of the Hakurei Orb were quite silly, weren't they?</p> <p>Mima: Th-they were?</p> <p>Reimu: Yeah, like eating a ton of sweets without getting fat, a pleasant fragrance, turning into a cat...</p> <p>*ending without beating the TLB*</p> <p>Mima: ...There's no way that's true.</p> <p>Reimu: Well, that's what the old hermit told me at least.</p> <p>Mima: Maybe he did go senile after all.</p> <p>*ending with beating the TLB*</p> <p>Mima: Yeah, what kind of vain person would</p>	<p>Good Ending</p> <p>Kuil Hakurei, siang hari setelah kekalahan Mima.</p> <p>Mima kembali menghantui kuil, tetapi ada sesuatu yang aneh.</p> <p>Reimu: Mima, katakanlah, dimana kamu menyembunyikan pakaianku?</p> <p>Mima: Sudah ku kembalikan di tempatnya pagi ini. Lalu entah kemana perginya.</p> <p>Reimu: Kau terlihat mencurigakan.</p> <p>Mima: Ayolah, Reimu, memangnya aku pernah membohongimu? Aku mungkin saja seorang hantu, tapi aku punya sopan santun juga.</p> <p>Reimu: Hmm... kupikir aku tahu siapa yang melakukannya. Seseorang yang terakhir kali berada di kuil saat ku tinggal pergi.</p> <p>Mima: Nah, aku tidak akan membantumu.</p> <p>Reimu: Huft, makasih. Aku mau mengambil gelas teh.</p> <p>*picture change*</p> <p>Reimu: Kau tahu, semua kekuatan Bola Hakurei sangatlah konyol, iya bukan?</p> <p>Mima: Be-benarkah?</p> <p>Reimu: Ya, seperti bisa makan banyak manisan tanpa menjadi gemuk, aroma yang menyenangkan, berubah menjadi kucing...</p> <p>*ending without beating the TLB*</p> <p>Mima: ...Itu tidaklah benar.</p> <p>Reimu: Nah, itu lah pertapa tua yang katakan padaku.</p> <p>Mima: Mungkin dia menjadi pikun begitulah.</p>
